

Halton Local Authority: Secondary In-Year Transfer Common Application Form

This guide aims to assist you with the completion of the *Halton Local Authority: Secondary In-Year Transfer Common Application Form* and to give you a summary of what to expect during the application process.

THINGS TO CONSIDER BEFORE MAKING A TRANSFER REQUEST:

Before submitting an application it is highly recommended that you liaise with your child's current school regarding your intention to make a request for a transfer to another school, as the school will be contacted to provide information on a form called Section D once an application has been received. Where the request is due to a house move, this will give your child's current school advanced warning and time to prepare the information required to complete the application form. When the request is for any other reason it will give the school an opportunity to consider your position and it may even become unnecessary to continue with the application. Please consider the following:

- Is your child comfortable with change? How will they cope with learning new rules, doing things differently and making new friendship groups?
- Children who have already chosen their GCSE options may not be able to continue with these option choices at their new school, or the examination boards may be different.
- Parents/carers who have separated should ensure that all parties with parental responsibility for the child are in agreement with the decision to move the child to a new school. Disputes **cannot** be resolved by the local authority and your application will be delayed until agreement is reached, legally or informally.
- If you wish to move your child because of a specific issue, have you discussed this issue with their current school or Headteacher? Often an issue can be resolved by following the appropriate lines of communication with the school and it is also possible that the issue would be faced at the new school.
- Please remember, **there is no guarantee** that you will be offered a place at any of your preference schools. You will be offered the right to appeal against the decision to refuse your child a place at any school but it is important to remember that the appeals process can take up to 30 **school** days and there is no guarantee that your appeal will be successful.
- **All** applications for transfers to a Halton secondary school are considered against the eligibility criteria detailed in the policy, *Halton Secondary In-Year Fair Access Protocol*. It is important that you read that document before making an application.
- If the child is a child currently in the care of a local authority, the application should be submitted by the local authority who care for the child to ensure that they are satisfied that the transfer is suitable for the child. You should speak with the child's allocated Social Worker in the first instance.
- If your child has an Education, Health and Care Plan (EHCP) it is important that you discuss your application before submitting it with the SEND Assessment Team. If you do not have the contact details for your child's SEND Assessment Coordinator you can email SENAT@halton.gov.uk and your query will be passed to the appropriate team member. For impartial and confidential support and information you may like to contact Halton SEND Information, Advice and Support Service (SENDIASS) on 0151 5117733.

COMPLETING THE COMMON APPLICATION FORM:

This three page form contains various sections designed to assist with the timely processing of in-year transfer requests to Halton secondary schools. There are three sections, A, B and C. Make sure that you sign and date the form (electronic signature is acceptable where the form is submitted electronically) and please ensure that **all** sections are completed before the form is returned **directly to the School Admissions Team in Halton Borough Council**. Incomplete forms may lead to a delay in your application being processed.

If you have any questions or concerns, please do not hesitate to contact a member of the team, using the contact details at the bottom of this page.

Please complete **all** sections and return directly to:
School Admissions Team, PO Box 317, Runcorn, WA7 9BZ
OR by email to schooladmissions@halton.gov.uk

APPLICATION OUTCOMES

As there can be many different reasons for applying for a transfer to a new school, it is important that as much information as possible is gathered during the application process to enable admission authorities to process applications as quickly as possible and make an appropriate decision for your child.

Some applications may take longer than others to process and respond to, but in general you can expect an initial response to your request at the latest **within 15 school days** of it being received. Where it is practical to do so, you are strongly advised to ensure that your child continues to attend their current school until another school place has been offered.

For Halton resident families (or those due to move into Halton within four weeks and able to evidence this*) there are three possible outcomes for applications requesting an in-year transfer to Halton secondary schools:

1. A place **can be offered** at one of your preference schools and you will receive a letter to confirm an offer of a place and a starting date for your child;
2. A place **cannot be offered** at one of your preference schools and you will receive a letter advising that a place is unavailable due to oversubscription of the requested year group and will be offered the right of appeal (again, subject to your child's application **not being eligible for referral** to the School Admissions Referral Panel under Halton's Secondary In-Year Fair Access and Managed Transfer Protocol). If your child does not have a school place the letter will detail vacancies in other Halton schools for your consideration; or
3. Your child's application **is identified as being eligible for referral** under Halton's Secondary In-Year Fair Access Protocol. You will receive a letter detailing the date when the next panel will meet to make a decision regarding your application and can expect that to be within the next twenty school days. You may also be asked to supply additional information to assist the Panel in coming to a decision. The Panel will consider all of the evidence provided and will follow the guidelines detailed in the *Halton Secondary In-Year Fair Access Protocol*. You will then receive a letter detailing the decision of the Panel and next steps.

For families **living outside** of Halton the only outcomes are numbers 1 and 2 above. Children who do not reside within Halton are not eligible for consideration under the *Halton Secondary In-Year Fair Access Protocol*. **This does not affect your right to appeal, where you have been refused a school place.**

* The only exception to this is where an application is received for a child of a serving Armed Forces personnel who is to be posted to the local area, or a child of a returning Crown Servant returning to the local area following their posting abroad. In these circumstances a place will be offered in advance of the family arriving to the area where appropriately evidenced.
